## QUICK START

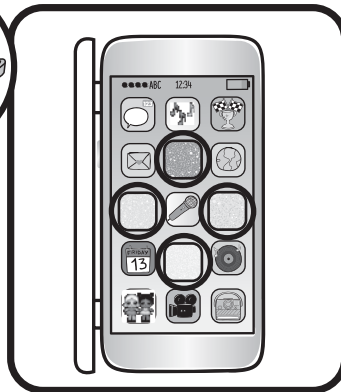

Before beginning, cover the play area to prevent possible damage.

Glasses can be worn on yourself or baby.

If putting glasses on the baby, attach the strap. Place the glasses on the baby and insert the temples of the glasses into the openings on the strap.

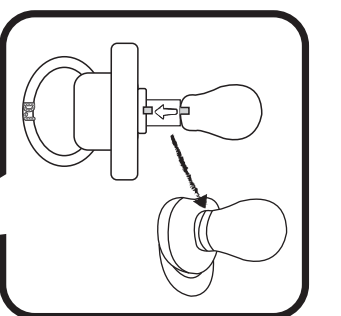

Remove the seal over the cream shimmer and discard. Choose between four different colors.

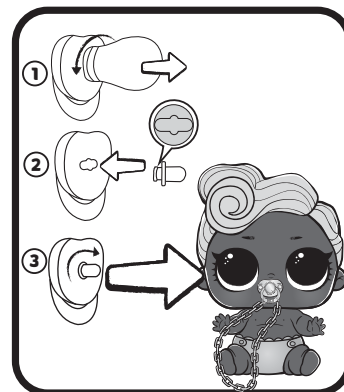

Apply cream shimmer to your face. **Do not apply around eyes.**

Remove the lipstick's cap and set aside. Then, remove the seal and discard. Apply lipstick to your lips. Lipstick changes color on lips!

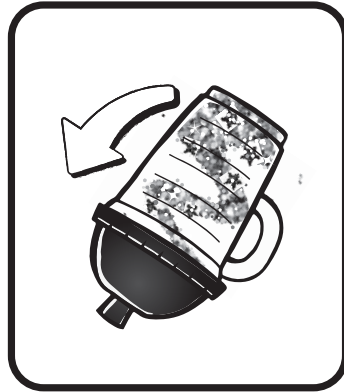

When replacing the cap, align the slot on the cap with the tab on the lipstick's base.

To use pacifier on the baby, remove the lipstick and insert the pacifier's attachment.

1. With the cap still on the lipstick, turn it counterclockwise to pull out.
2. Align the peg on the attachment with the opening on the pacifier.
3. Turn clockwise to lock in place and insert into the baby's mouth.

Flip bottle for disappearing glitter!
