COLOR-CHANGE

- To see glow-in-the-dark feature, hold the doll in the light for a few minutes and then place it in a dark room. If using a lamp or flashlight, place the doll near or directly under the light for best results.
- Color change will only work on certain parts of the doll's body.
- The color-change effect of the doll's body has a lengthy, but limited lifespan.

IMPORTANT INFORMATION

- Do not store the dolls in direct sunlight for extended periods of time.
