ASSEMBLY

Attach the saddle by placing the unicorn's head through the opening. Then, secure the saddle by buckling it underneath the unicorn and adjusting the strap.

Place the bridle over the unicorn's head and nose, inserting the horn through the middle opening on the bridle. Secure the bridle by snapping the buckle in place.

Insert the foot steps into each side of the carriage until it snaps in place.

Add shafts to the front of the carriage by hooking the C-shaped side of each shaft to the axel at the bottom of the carriage.

Attach the shafts to the horse by inserting the peg at the end of each shaft into the openings on each side of the saddle.

Place reins on the rein holders and you are ready to play! Collect the entire candy world! MGA's Dream Ella Candy™ Princess Dolls and Unicorns sold separately.
