- Do not leave cosmetics in direct sun or in very hot areas.

QUICK START:

Before beginning, wash and dry hands thoroughly, then cover the play area to prevent possible damage.

NOTE: Contents of this kit may not be used to create items for resale.

Remove the cap and set aside.

Massage components together before starting. Then, tear the soda bottle pouch open at the notch on the straw.

Remove the rollerball stopper and set aside.

Add in the base liquid. Leave space in the container to add in the scent color liquid.

Tear open the boba pouch at the notch on the cap.

Add the scent color into the scent roller container. Ensure you do not overfill the container.

Insert the rollerball stopper into the top opening.

Place the cap on. Keep cap on when not in use. NOTE: Ensure the cap is lined up with the indent on the body to close properly.

Shake the mixture to combine components evenly.

Apply the scent roller onto your skin.

NOTE:

Use the included blister to stabilize "Mr. Pops" when adding liquid components inside the scent roller container.
