WARNING:
CHOKING HAZARD—Small parts.
Not for children under 3 years.

WARNING

- Read the instructions before use, follow them and keep them for reference.
- Keep out of reach of children under 3 years.
- Do not play with gel with broken skin. If irritation occurs, discontinue use.
- DO NOT allow children to play with water near any electrical source or apparatus.
- Avoid contact with eyes. In case of eye contact, rinse with water thoroughly. If eye irritation persists, seek medical attention.

IMPORTANT INFORMATION

- Before beginning, cover the play area to prevent water damage.
- The finished princess dress you make is interchangeable with other princess dolls.
- For color change reveal, fill ball with ice cold water 32°F (0°C).
- Color change reveal may take some time. Allow the doll's dress to sit in the water until it changes color.
- Color change temperatures may vary according to weather conditions.

- Extreme weather conditions may cause the color change pattern to appear before dipping into water. To return it to its original color, place the doll in a room temperature area at approximately 68–77 °F (20–25 °C).
- Long exposure to sunlight may deactivate color change feature.
- The color change effect of the doll's dress has a lengthy, but limited lifespan.
- Ensure that doll, dress, molds, ball and accessories are dry, as best as possible, before storing.
- Air dry the doll only. Do not place in the dryer or subject to excessive heat.
- Do not store the doll in direct sunlight for extended periods of time.
- Wash hands thoroughly after playing with the gel.
- The gel is designed for one-time molding only.
- Wash the bottle with remaining gel within 5 minutes before it is solidified.
- Wash the bottles and dress mold with mild soap after playing.
- Once finished it is normal for the dress to be a little oily.
