

EN

AGES 3+
ADULT SUPERVISION REQUIRED
SKU: 542698

WARNING

- ADULT SUPERVISION REQUIRED when children are playing with water.
- DO NOT allow children to play with water near any electrical source or apparatus.
- Keep out of reach of small children.

COLOR-CHANGE

- Your dolls and pet have unique water features and will change color in cold water.
- Color change will start at approximately 59°F (15°C), but best results occur if the ice water is chilled to approximately 32°F (0°C).
- If color change does not work properly or quickly, the temperature of the dolls and pet may be too close to the temperature of the water.
- Color change temperatures may vary according to weather conditions.
- The color change effect has a lengthy, but limited lifespan.
- Extreme weather conditions may cause the color change pattern to reveal upon arrival. Place the doll back into room temperature (68-77°F (20-25°C)) for the original color.

WARNING:
CHOKING HAZARD - Small parts.
Not for children under 3 years.

IMPORTANT INFORMATION

- Before beginning, cover the play area to protect from possible water damage.
- An adult must be present when children are playing with water.
- Do not place the dolls or pet in extremely hot water (over 109.4°F/43°C).
- Do not store the dolls or pet in direct sunlight for extended periods of time.
- Exposure to direct sunlight may deactivate color change feature.
- Thoroughly drain the dolls and pet on a dry towel (not included) in a well-ventilated area after use and before storing.
- Air dry the dolls and pet only. Do not place in the dryer or subject to excessive heat.
- Carefully peel off the doll's disguise following the perforated lines to avoid tearing. Disguise pieces can be reused on the dolls.

Please keep this manual as it contains important information.
