AGES 3+
ADULT SUPERVISION REQUIRED
SKUs: 567523, 567530

WARNING:
CHOKING HAZARD—Small parts.
Not for children under 3 years.

IMPORTANT INFORMATION

- Before beginning, cover the play area to protect from possible water damage.
- An adult must be present when children are playing with water.
- Do not place your doll or accessories in extremely hot water (over 109.4°F/43°C).
- Do not store the doll or accessories in direct sunlight for extended periods of time.
- Exposure to direct sunlight may deactivate color change feature.
- Thoroughly drain the doll and accessories on a dry towel (not included) in a well-ventilated area after use and before storing.
- Air dry the doll and accessories only. Do not place in the dryer or subject to excessive heat.

COLOR-CHANGE

- Only your doll's dress will change color in cold water.
- Color change will start at approximately 59°F (15°C), but best results occur if the ice water is chilled to approximately 32°F (0°C).
- If color change does not work properly or quickly, the temperature of the dress may be too close to the temperature of the water.
- Color change temperatures may vary according to weather conditions.
- The color-change effect has a lengthy, but limited lifespan.
- Extreme weather conditions may cause the color change pattern to reveal upon arrival. Place the dress back into room temperature 68-77°F (20-25°C) for the original color.

Please keep this manual as it contains important information.
